

Christmas Card Workshop

Attached you will find the pictures of the 20 cards we were to make at the Christmas Card Workshop. Please note they are listed in portrait and landscape order, not numerically. (The last page is suppose to be Card 16 and 18, this is not an error)

Kits are ready for pickup - Kit includes all the papers, embellishments, card bases and envelopes you need to complete the 20 cards as pictured.

You will need black ink, adhesive, scissors, foam tape, corner rounder and glue dots to complete the cards as shown.

Thank you for your participation!

Happy Crafting!

Sherri
